

TRAFFICKED PURCELL KIM

[trafficked by kim purcell goodreads](#)

Trafficked by Kim Purcell Trafficked is a difficult subject to read about but so important that I couldn't wait to sit down and read it. Kim Purcell has done an excellent job and I give her tons of credit for telling us this story even though it's a fiction novel we all know this is happening today somewhere.

[reading teen trafficked by kim purcell](#)

Purcell did an excellent job unveiling the "atypical" modern-slave, including all the usual characteristics which made Hannah vulnerable in the first place and why she couldn't just leave her situation. If you want a face for human trafficking, this is your book. I am not saying this book was perfect, though. Sometimes it was just too ...

[trafficked by kim purcell yalri young adult literature](#)

Human trafficking is one of the most covert, nightmarish occurrences of modern society. Trafficked, a novel by Kim Purcell, dives into the calamity head-on, as 17-year-old Hannah is sold into trafficking without the slightest clue of her fate. Hailing from the European country of Moldova roughly a year after the death of both her parents,

[trafficked by kim purcell](#)

This book is not real but it does seem to be. I understand this book might be true to someone, which I think does make it even more powerful. I loved the book and if you want to read or study ...

[book review trafficked by kim purcell](#)

Trafficked by Kim Purcell (Speak) When I first finished reading this book, I had no intention of giving it a very high rating. In fact, my initial thought was that this book was maybe worth a fair-weathered 3 out of 5. Good, but not all that mesmerising.

[jen reviews trafficked by kim purcell broke and bookish](#)

"Trafficked" is Kim Purcell's debut novel. I think Purcell did an amazing job portraying the horrible conditions Hannah was subject to without going into overly graphic detail. This is not a "feel-good" book. You won't feel all warm and fuzzy inside reading it. Considering the subject matter, you shouldn't.

[trafficked by kim purcell book reviews featured books](#)

Kim Purcell tackled a heart wrenching issue and I commend her for that; but I found myself a little disappointed with its delivery. This might be because I set my hopes too high, I was expecting a deep and gritty novel about sex and domestic trafficking, and that wasn't what I got.
